Good Afternoon Kelly,

We received your letter and I am working on the responses to the discovery requests. I will not, however, be able to get you responses by the end of this week. I can commit to getting you responses by the end of the day next Wednesday, June 21st. Please let me know if that will be a problem.

Also, you mentioned in your letter that you have not received any communications from us regarding this matter. We did send your office a letter last week, along with a payroll check and some discovery requests. Please let us know if you did not receive such communication.

Thank you.

Jodi,

It appears that we did receive a letter from you yesterday (Attorney Walcheske was out of the office yesterday). We will review your letter and get back to you with regard to that communication. We would appreciate if you can get us the discovery responses just as soon as possible, but will expect them no later the end of the day Wednesday, June 21, 2017.

Thank you.

Kelly
